**Panther Alert System - PAS**

In case of an emergency, PVAMU wants to protect its greatest assets, our students, faculty and staff. To keep the PVAMU campus communities informed in the event of an emergency, the University has established the Panther Alert System. The system, will notify the campus community of emergency situations (severe weather, serious threats to safety, etc.) via phone, text messages, and e-mails.

Students, faculty and staff members are responsible for keeping their contact information current.
