Dear «FNAME»,

Thank you for your interest in Prairie View A&M University. Each of our programs emphasizes a hands-on approach to education, which makes learning easier and more enjoyable. As the demand for highly educated people increases, Prairie View A&M University is setting the pace for meeting those needs.

Financial aid is available for students who have demonstrated a need for assistance to defray college expenses. In addition to need-based financial assistance, students may also apply for loans. Students, who reside in a county or parish of Arkansas or Oklahoma that is adjacent to Texas, are eligible to pay in-state tuition. In terms of housing, furnished apartment style living is conveniently located on campus with easy access to instructors, classrooms, and local shopping. Overall, Prairie View A&M University is consistent with our commitment to provide the very best in education for your future, career, and success!

Prairie View A&M University's open house event is "**Pantherland Day**" on **November 14, 2009 at 9:00A.M.** The administration, faculty, staff and students will be available to discuss your future educational goals at PVAMU and tour our beautiful landscaped campus. Campus tours are available upon appointment; please call the Office of Recruitment 936-261-1089 or 936-261-1000, prompt #2.

As you consider pursuing higher education in Texas, remember that the THEA test (Texas Higher Education Assessment) is required of all students before enrolling in classes. For additional information or further questions, please call me at 936-261-1000, prompt #2 or email at recruitment@pvamu.edu.

Sincerely,

Pamela Owens Freeman
