Dear Dr. Wright:

Thank you for your letter of September 29, 2004, and the additional information in support of the proposed Ph.D. in Clinical Adolescent Psychology degree program that was implemented Fall Term, 2004. The information submitted satisfactorily addressed our question regarding the extensive use of technology. By means of this letter, we remove the contingency placed upon approval of the program; we require no further information from you.

Best regards,

James T. Rogers  
Executive Director  
Commission on Colleges
