Dear Dr. Rogers:

As required by the Commission on College's Substantive Change Procedure C, The Initiation of Off-Campus Programs, Branch Campuses, and Other Distance Learning Activities, I am herein notifying you that effective Spring 2002, Prairie View A&M University plans to offer a maximum of 25% of the courses required for a Master's Degree in Educational Administration and in Counseling at the following locations that are new sites for our off-campus offerings:

Dallas, Texas	Paul Quinn College
Houston, Texas	M. O. Campbell High School (Aldine Independent School District)
	Cypress-Fairbanks Instructional Center
Rosenberg, Texas	B. F. Terry High School

The above listed sites are thirty (30) or more miles from the main campus. Instruction will be delivered face-to-face initially but plans are underway to deliver some courses via interactive video using the Trans-Texas Video Network (TTVN).

Please notify me of any additional information needed to support the Commission's acceptance of our planned expansion of off-campus offerings.

Thank you for your consideration in this matter.

Sincerely,

Charles A. Hines
