

CURRICULUM VITAE
Velva J. McWhinney, PhD
Cooperative Agricultural Research Center
Prairie View A&M University
Prairie View, TX 77446

EDUCATION:

<u>Institution and Location</u>	<u>DEGREE</u>	<u>YEAR</u>	<u>FIELD OF STUDY</u>
Prairie View A&M University Prairie View, Texas	B.S.	1981	Biology
Prairie View A&M University Prairie View, Texas	M.S.	1983	Chemistry
Texas A&M University College Station, Texas	Ph.D.	1991	Nutrition
Baylor College of Medicine/Children Nutrition Research/USDA/ARS Houston, Texas	Post-Doc	1994	Pediatric Nutrition

POSITIONS AND HONORS:

1981-1984	Lab Technician/Research Assistant, Department of Chemistry Prairie View A&M University
1985-1987	Teaching Assistant, Department of Biochemistry & Biophysics Texas A&M University.
1990-1991	Research Assistant, Department of Animal Science, Texas A&M University.
1991	Research Associate/Instructor, Department of Chemistry Prairie View A&M University
1991-1994	Post-Doctoral, Children's Nutrition Research Center, Baylor College of Medicine, ARS/USDA
1992 - present	Research Scientist, Cooperative Agricultural Research Center, Prairie View A&M University
2006-2007	Lecturer Houston Community College System, Central Campus, Houston, TX

AWARDS AND RECOGNITION

1994	Leader - Prairie View A&M University
1997	Outstanding Recognition - NASA Sharp Plus Program Mentor
1999	Partner in Education Recognition H.T. Jones Elementary
1999-2005	Certification of Appreciation - Research Apprenticeship Program
2004-2005	Certificate of Appreciation - Schultz Middle School
2005	4-H Clover Award - 2 year Leaders
2005	Certificate of Appreciation, ΣΦΒ Sorority, Inc., Self Esteem Does Matter Seminar

OTHER EXPERIENCES AND PROFESSIONAL MEMBERSHIP:

Membership

American Society for Nutritional Science
Federation of American Society for Experimental Biology

Institute of Food Technology
National Academic Advising Association
Prairie View A&M Alumni Association – Local and National 2008-2009

Committees – Prairie View A&M University, Prairie View, TX

5th Annual Research Symposium Committee Member, College of Juvenile Justice, 2008-2009
CEP Youth Career Awareness and Leadership Lab Steering Committee – 2008, 2009
Food System Program, CARC, PVAMU, Prairie View, TX - **Chair** 1999-2008
Institutional Biosafety Committee 2002- 2006; Secretary 2002-2005; **Chair** 2005 – 2006
Diabetes Education Awareness Program Evaluator 2005-2009
College Agriculture & Human Sciences Scholarship Committee – 2005-2009
Search Committees – Member 2005-2006
-Research Scientist, Texas Juvenile Crime Prevention Center, College of Juvenile Justice and Psychology
-Assistant/Associate Professor, CAHS
Agronomy/Soil Science
Human Science
Nutrition and Dietetics
-Department Head, Agriculture, Nutrition and Human Science, CAHS
CAHS Excellence Team, Prairie View A&M University, Prairie View, TX 2005-2006
-Research
-Extension
-Leadership Team
Southern AgBiotech Consortium for Underserved Communities 2001-2004
Project Hope - 2001-2003
MBRS Advisory Committee - Member, 1997-1999
Graduate Student Research Assistantship - Member 1996-1999
Swine Research Committee – Chair 1994-1996
Human Environmental Quality - Chair, 1994-1995
Cooperative Agricultural Research Seminar Series – Chair

**PROFESSIONAL AND DEVELOPMENTAL TRAINING:
2003-2004**

-Supervisor Orientation, Prairie View A&M University
-Performance Evaluation Training, Prairie View A&M University
-Train the Trainer: Biosafety for Security and Municipal Responders
ABSA, October 15-17, San Antonio, TX
-Hazard Communication Training, ONLINE TRAINING, October 28, 2004, Texas A&M University, College Station, TX.
-USDA Web Base Training Course – ABC of Dietary Guideline for American Science & Application, November 15.

2004-2005

-Radiological Safety Training, ONLINE TRAINING-Update, June 6, Texas A&M University, College Station, TX
-Southwest Region Conference for IBC Best Practices: Today and Tomorrow, August 18-19, San Antonio, TX

2005-2006

- Institutional Biosafety Committee Best Practice, San Antonio, TX, August 2005
- EHSD Laboratory Safety Training, CARC, October 4, 2005
- LEAD21 Class 2006-2007 Leadership Training Conference, University Place Conference Center and Hotel, Indianapolis, Indiana, June 18-23, 2006.
- Microscopy/Imaging Workshop, TAMU, College Station, TX, October 28, 2005 (Attendee)
- Proteomic Workshop, TAMU, College Station, TX, January 9-13, 2006 (Attendee)
- Comprehensive Workshop in OSHA Compliance, Houston, TX, 6/15-16/2006 (Attendee)

INVITED SPEAKER-WORKSHOP

- IBC-CAHS WORKSHOP, CARC RETREAT – 2002-2006
- Recommendations for Effectively Addressing Obesity and Nutrition Issues, CSREES, Washington, DC, November 29-30, 2005 (Presenter)
- CARC Retreat; 2007

TEACHING

HUSC 1343	Ecology of Nutrition/Basic Nutrition	Fall 2003, 2007
AGHR 5823	Special Topics: Advanced Nutrition	Spring 2004
FDSC 3583	Food Quality Assurance and Sanitation	Fall 2005, 2006, 2007, 2008
FDSC-4573	Food Processing and Engineering	Spring 2006, 2008
AGEC 3203	World Food Seminar	Spring 2006, 2007, 2008 Fall/Spring 2008-2009

PEER-REVIEWED PUBLICATIONS

- Mora-Gutierrez, A., Farrell, H.M, Jr., Attaie, R., **McWhinney, V.J.** and Wang, C. (2006) Effects of bovine and Caprine Monterey jack cheeses fortified with milk calcium on bone mineralization in rats. *International Dairy Journal*, Elsevier Ltd
- McWhinney, V.**, W. Pond, and H. Mersmann. **1996.** Ontogeny and Dietary Modulation of 3-Hydroxy-3-methylglutaryl-CoA Reductase Activities in Neonatal Pigs. *J. Anim. Sci.* 74:2203-2210.
- Schoknect, P., S. Ebner, W. Pond, Pond, W., Zhang, S., **McWhinney, V.**, Wong, W., Klein, P., Dudley, M., Goddard-Finegold, J., and Mersmann, H. **1994.** Dietary Cholesterol Supplementation Improves Growth and Behavioral Response of Pigs Selected for Genetically High and Low Serum Cholesterol. *J. Nutr.* 124: 305-314.

RESEARCH SUPPORT:

- Building Capacity in Food Science Studies at PVAMU. Eric Risch (PI), Attaie, R. Mora-Gutierrez, Adela, **McWhinney, Velva** (CoPI), USDA-CSREES-CBG, 10/01/06 – 9/30/09, \$299,987.00
- Bridges to Doctorate, Bazer, Fuller and Newton, Gary (CoPI) NIH 2006, **McWhinney, Velva** (Mentor)
- USDA/CSREES Project No. TEXX-0017. (2001-2005). Overall goal is to study dietary-developmental regulation of tissue cholesterol in obese and lean neonatal pigs. Principal Investigator
- NRI Competitive Grants Program USDA-CSREES Agreement # 2001-35503-10992 Proposal # 2001-01811 (2001-2005). The goal is to characterize and examine the bioavailability of caeinophopeptides for bone mineralization. Co-Investigator.
- Capacity Building Grants Program CSREES/USDA Agreement # 2001-38820-11398 (2001-2004). Principal Investigator. Overall goals were to develop laboratory based instructional activities that enhance the students' skills in the application of scientific instrumentation in the food and agricultural sciences; to provide scientist-mentored laboratory research studies and programs mentoring mini-research projects for students; to provide laboratory-based instructional outreach. Principal Investigator.
- Southern AgBiotech Consortium for Underserved Communities USDA/CSREES/Initiative for Future Agriculture and Food System (IFAFS). Proposal Number 0000071 2000-2005. The overall goal is to provide information and knowledge in agricultural biotechnology among the underserved communities. Education Coordinator at Prairie View A&M University.
- NIH MBRS Grant # 2SO6GM08094-22. (1996-2000). The goal was to test for differential effects on growth and cholesterol metabolism when cholesterol-supplemented native or randomized corn oil and coconut diets are fed to pigs during early postnatal development. Principal Investigator.

OTHER PROFESSIONAL/ACADEMIC ACTIVITIES

ADVISOR – PVAM Goat Exhibition Team

Primary – Academic Year 2007-2008
Secondary – Academic Year 2008-2009

CONSULTANT: Developed initial HACCP Plan and Standard Operating Procedures for Zabiha Meat Processing Inc. Weatherford, TX 76086 (APPROVED)

Resources for Training in the Food and Agricultural Sciences - Program Director

Program provides diverse educational laboratories activities and resources for classrooms and resources at college and high school to elementary levels, after school programs Science Clubs and farm tours. Additionally, the program hosts High School to elementary school science related workshops.

Science Clubs

Holleman Elementary School, Waller, TX School Year 2001-2007
H.T. Jones Elementary School, Prairie View, TX School Year 2001-2009
Schultz Middle School, Waller, TX School Year 2001-2006

Laboratory Assistance – School Year 2001 -2009
Biochemistry – Department of Biochemistry
Science Classes – Waller Junior High School
Elementary Textile – CAHS

-Southern AgBiotechnology Consortium for Underserved Communities

Educational Program Director

Program provides diverse educational biotechnology related laboratories activities and resources for classrooms and resources at college and high school to elementary levels, after school programs Science Clubs and farm tours

Student Advisees-

Undergraduate and Graduate
CAHS, PVAMU, Prairie View, TX

OUTREACH AND SERVICE

Rainbow 4H Leader, Prairie View, TX 2000-2005
